

Partnership between Icon Systems and Vanco Services!

FOR IMMEDIATE RELEASE

October 2009

Icon Systems has released software integration with Vanco Services for advanced contribution entry of online donations, EFT transactions and check scanning. IconCMO can now import donations received through these methods and have them post to donors seamlessly.

Vanco Services offers various solutions that will fit any organization. You can pick just one or all of them depending on your organization's demographics. No matter which solution you pick all of the donations regardless of origination (IE: check scanning or online donation) comes into the IconCMO system seamlessly by a date range. Vanco also offers reports on their system for your review in addition to the ones already on IconCMO.
